HONG KONG

- Where my parents are from.
- My mom had to move back to Hong Kong for work.
- Lived in Hong Kong for a few years when I was in elementary school.
- Speak fluent Cantonese, broken Mandarin.
- Moved back to Vancouver for high school.

SAN FRANCISCO

An aerial photograph of the Golden Gate Bridge in San Francisco. The bridge's iconic red towers and suspension cables are visible against a clear blue sky. The water below is a vibrant turquoise color. In the background, the city of San Francisco and hills are visible under a hazy atmosphere.

- Finished high school in San Francisco.
- Lived in the Bay Area for 6-7 years.
- University of California, Davis (2012 - 2016)
 - Computational Physics B.S.

SAN DIEGO

- Moved to San Diego last September.
- University of California, San Diego
 - Computational Science M.S.

THANK YOU!
